**Subject: B. Pharm. (Hons.) Classes and Regular Attendance**

**Attn: All Students of B. Pharm. (Hons.)**

This is to inform you that classes for the B. Pharm. (Hons.) program after the midterm exam for the Fall 2025 semester will resume on **Saturday, October 18, 2025**. A revised class schedule will be shared soon. We kindly request that all teachers and students adhere to the upcoming class routine.

However, it has been noticed that some students are irregular in class, and others are late to attend. We would like to remind everyone that, according to the university's examination policy, each student must maintain a minimum attendance rate of **70 %** to be eligible to sit for the final examination. Students whose attendance falls below **70 %** will not be permitted to take the final examination.

Therefore, we strongly encourage all students to attend classes regularly and arrive on time.

Thank you for your cooperation.
